House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

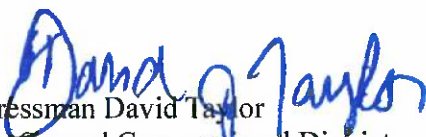

I am requesting funding for Storm and Sanitary Sewer Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Village of Laurelville, located at 18751 Main Street, Laurelville, Ohio, 43135. The funding would be used for replacing failing storm sewers in critical areas in downtown Laurelville.

The project is an appropriate use of taxpayer funds because it will complete all phases of the project, and upon completion, the stormwater problem in Laurelville will be alleviated. This route is heavily travelled by people in the area and benefits businesses around the downtown square.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congressman David Taylor
Ohio's Second Congressional District
