The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for a Sanitary Sewer Lift Station Replacement in Fiscal Year 2027. The entity to receive funding for this project is the Village of Beaver, located at 7460 Ohio 335, Beaver, Ohio, 45613. The funding would be used for the rehabilitation of two aging sanitary sewer lift stations that have reached the end of their useful life and are at significant risk of failure.

The project is an appropriate use of taxpayer funds because it proactively addresses critical infrastructure before catastrophic failure occurs. Failure of either lift station could result in sanitary sewer overflows, raw sewage discharge to nearby waterways, property damage, regulatory violations, and costly emergency repairs.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congressman David Taylor
Ohio's Second Congressional District
