The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Wastewater Treatment Plant Expansion and Collection System Improvements in Fiscal Year 2027. The entity to receive funding for this project is the Village of Rio Grande, located at 174 E. College St., Rio Grande, Ohio, 45674. The funding would be used for improvements to the wastewater system to address inflow infiltration issues.

The project is an appropriate use of taxpayer funds because Funds will be used to complete construction activities that will address the inflow/infiltration issues in the Rio Grande Wastewater Treatment Plant. The majority of persons benefitting from the project are retired or close to retirement, children, students, and tax-paying citizens. The money will be used to support the health and well-being of this community.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Congressman David Taylor
Ohio's Second Congressional District
